

ST LUCIE WEST
SERVICES DISTRICT

SCHEDULE OF RATES, FEES CHARGES AND OPERATING POLICIES

The rates, fees and charges to be paid for the water and sewer service shall be as follows:

Residential: \$100.00 Deposit - Check or Money Order only!

Residential: Monthly Base Rate Charges for Water, Sewer and Irrigation

	<u>Single Family Home</u>	<u>Multi Family Home</u>
Meter Size:	5/8 X 3/4	5/8 X 3/4
Water Base Rate Charge:	\$15.42	\$15.42
Sewer Base Rate Charge:	\$19.29	\$19.29
<u>Irrigation Base Rate Charge:</u>	<u>\$18.45</u>	<u>\$12.92</u>
Total Base Rate Charge With Zero Usage:	\$53.16	\$47.63

Residential: Water and Sewer Commodity Charges per 1,000 Metered Gallons

	<u>Water Usage</u>	<u>Sewer Usage</u>
Per 1,000 gallons of usage:	\$3.47	\$3.86

Residential: Based on the average consumption per person is about 3,000 gallons of usage:

Water \$3.47 + Sewer \$3.86 = \$7.33 Example $\$7.33 \times 3,000 / 1,000 = \21.99

Average usage consumption per person is \$21.99 in addition to the Base Rate of either the Single Family Home or the Multi Family Home.

NOTE:

The monthly **Irrigation Base Rate** is for amortization of mains, pump stations and appurtenances up to the point of entry of each development. The Irrigation water is provided at no additional fee. When your **Deposit** is received in the office, there is a 24-hour wait or next business day to unlock your meter. Deposit is kept on file (your account) for two years and as long as the account is in good standing with the District it will automatically be credited back to your account through a statement after the two year mark.

Effective 10/1/2009
