

Public Notice: Irrigation Schedule Restrictions Due to Drought

To conserve water during current drought conditions, the **St. Lucie West Services District (SLWSD)** will adjust irrigation operations beginning **Monday, May 5, 2025**.

Updated Irrigation Schedule:

System OFF:

- Mondays, Wednesdays, and Thursdays
- **9:30 AM – 5:30 PM**

System ON:

- Monday, 5:30 PM – Wednesday, 9:30 AM
- Wednesday, 5:30 PM – Thursday, 9:30 AM
- Thursday, 5:30 PM – Friday, 9:30 AM

Tuesdays: Fully operational for maintenance.

Most irrigation occurs overnight, so regular watering schedules will not be affected.

SLWSD provides irrigation water to its customers. This water consists of reclaimed water (treated wastewater) and water collected from stormwater retention ponds.

We appreciate your cooperation. These restrictions are temporary and may be lifted with sufficient rainfall. A follow-up notice will be issued when restrictions are lifted.

For questions regarding these restrictions, please contact T.J. Bayer at (772) 340-0220 ext.127 or by email at tbayer@slwspd.org.
